I put it on the agenda. Doesn't seem like a separate email is needed but if you have a different experience with him lately, let me know.

All,

We have received the draft BA from FDEP. Heather indicated FDEP will be compiling comments to give to the consultant, GHD, in one month. Please make any comments/edits in tracked changes on the Word document ending in INTERNAL\_MARKUP. We will be compiling all comments in about a month to provide to GHD for the final version. The Word document does not contain the appendices, but the PDF does.
